

## RELEASE OF MOBILE GAME WORDPIECES

**LONDON, UK – 05 October, 2024** – British game studio Coderact announced today the release of Wordpieces, their latest mobile game for iOS and Android, and its immediate availability on the App Store and on Google Play.

Wordpieces is a word puzzle game for mobile devices. The player has to connect word pieces in the right order to solve the puzzle and reveal the hidden sentence. The game features 1,000 curated levels, during which players will discover inspirational quotes, popular proverbs and famous quotes.

The game also offers a variety of visual themes, which can be unlocked by using the virtual coins that players earn as they play.

Wordpieces is free-to-play and is available for iOS and Android devices.
